

Voices in Motion

CONNECT. EXPRESS. BELONG.

Community recreation centered on neurodivergent children, teens and young adults. Neurotypical peers welcome.

AGES 7-11 | 12-17 | 18-25

New places. Shared interests. More ways to connect.

Games, art and community outings across LA County. Practice making choices, expressing preferences and participating with others. Speech, gestures, pictures and AAC welcome.

Begins Saturday, January 30, 2027 - Exposition Park

Six-week cycles, followed by a two-week break. Year-round.

Different outing locations each week. Discussions in person and via Zoom.

Pickup / drop-off: Exposition Park, Los Angeles.

Start with a consultation / needs assessment - \$250

Explore interests, communication preferences and support needs so we can plan an appropriate starting point.

Snacks, drinks and a T-shirt included.

Family-provided caregivers may attend. OMG-provided 1:1 caregiver support is also available. Discuss support arrangements during your consultation.

Door-to-door transportation may be available, subject to availability.

Ask about RC / SDP funding for the program and consultation; individual approval required.
